§ 115C-325.2(a) Maintenance of Personnel File. - The superintendent shall maintain in his or her office a personnel file for each teacher that contains any complaint, commendation, or suggestion for correction or improvement about the teacher's professional conduct, except that the superintendent may elect not to place in a teacher's file (i) a letter of complaint that contains invalid, irrelevant, outdated, or false information or (ii) a letter of complaint when there is no documentation of an attempt to resolve the issue. The complaint, commendation, or suggestion shall be signed by the person who makes it and shall be placed in the teacher's file only after five days' notice to the teacher. Any denial or explanation relating to such complaint, commendation, or suggestion that the teacher desires to make shall be placed in the file. Any teacher may petition the local board of education to remove any information from the teacher's personnel file that the teacher deems invalid, irrelevant, or outdated. The board may order the superintendent to remove said information if it finds the information is invalid, irrelevant, or outdated.

§ 115C-325.2(b) Inspection of Personnel Files. - The personnel file shall be open for the teacher's inspection at all reasonable times but shall be open to other persons only in accordance with such rules and regulations as the board adopts. Any preemployment data or other information obtained about a teacher before the teacher's employment by the board may be kept in a file separate from the teacher's personnel file and need not be made available to the teacher. No data placed in the preemployment file may be introduced as evidence at a hearing on the dismissal or demotion of a teacher, except the data may be used to substantiate G.S. 115C-325.4(a)(7) or G.S. 115C-325.4(a)(14) as grounds for dismissal or demotion. COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
