- § 115C-335.9(a)

As used in this section, the following definitions apply:

 - (1) "Education employee association" includes teacher associations, teacher organizations, and classified education employees' associations.
 - (2) "School" means a charter school or a school operated by a local school administrative unit, the State Board of Education, or a State agency.
- § 115C-335.9(b)

It is the intent of the General Assembly that all education employee associations have equal access to employees at schools and that schools not favor nor endorse an education employee association; therefore, neither a local school administrative unit nor a school shall do any of the following:

 - (1) Grant access to employees' physical or electronic mailboxes to an education employee association unless it gives such access to all education employee associations operating in the local school administrative unit.
 - (2) Permit an education employee association to attend new teacher or employee orientations to recruit members unless it permits all education employee associations operating in the local school administrative unit to attend.
 - (3) Give an education employee association preferential treatment through procedures, policies, or any other means. This subdivision does not authorize any payroll deduction for any association unless authorized by law for that association.

- (4) Endorse one education employee association over another.
- (5) Refer to days or breaks in a school calendar by the name of an employee education association.

§ 115C-335.9(c) A school shall not discourage or prohibit an employee from joining an organization or showing preferences toward any educational association. (2012-179, s. 1(b).)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
