- § 115C-364(a) A child who is presented for enrollment at any time during the first 120 days of a school year is entitled to initial entry into the public schools if:
- (1) The child reaches or reached the age of 5 on or before August 31 of that school year; or
  - (2) The child did not reach the age of 5 on or before August 31 of that school year, but has been attending school during that school year in another state in accordance with the laws or rules of that state before the child moved to and became a resident of North Carolina.
  - (3) The child did not reach the age of five on or before August 31 of that school year, but would be eligible to attend school during that school year in another state in accordance with the laws or rules of that state, if all of the following apply:

    - b.The child's parent is the sole legal custodian of the child.
    - c.The child's parent is deployed for duty away from the permanent duty station.
    - d.The child resides with an adult who is a domiciliary of a local school administrative unit in North Carolina as a result of the parent's deployment away from the permanent duty station.

§ 115C-364(b)

A local board may allow a child who is presented for enrollment at any time after the first 120 days of a school year to be eligible for initial entry into the public schools if:

- (1) The child reached the age of 5 on or before August 31 of that school year; or
- (2) The child did not reach the age of 5 on or before August 31 of that school year, but has been attending school during that school year in another state in accordance with the laws or rules of that state before the child moved to and became a resident of North Carolina.

**§ 115C-364(c)**

The initial point of entry into the public school system shall be at the kindergarten level. If the principal of a school finds as fact subsequent to initial entry that a child, by reason of maturity can be more appropriately served in the first grade rather than in kindergarten, the principal may act under G.S. 115C-288 to implement this educational decision without regard to chronological age. The principal of any public school shall require the parent or guardian of any child presented for admission for the first time to that school to furnish (i) a certified copy of the child's birth certificate, which shall be furnished by the register of deeds of the county having on file the record of the birth of the child, or other satisfactory evidence of date of birth, as provided in Article 4 of Chapter 130A of the General Statutes and (ii) a certificate of immunization as required by G.S. 130A-155.

**§ 115C-364(d)**

A child who has passed the fourth anniversary of the child's birth on or before April 16 may enter kindergarten if the child is presented for enrollment no later than the end of the first month of the school year and if the principal of the school finds, based on information submitted by the child's parent or guardian, that the child is gifted and that the child has the maturity to justify admission to the school. The State Board of Education shall establish guidelines for the principal to use in making this finding.

PINPOINT

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

## COLOPHON

## Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
