- § 115C-366.3(a)** As used in this section, the term "multiple birth siblings" means twins, triplets, quadruplets, or other siblings resulting from a multiple birth.
- § 115C-366.3(b)** The parent of multiple birth siblings who are assigned to the same grade level and school may request a consultative meeting with the school principal to consider that the initial school placement of the siblings be in the same classroom or in separate classrooms. The request must be made no later than five days before the first day of each school year or five days after the first day of attendance of students during the school year if the students are enrolled in the school after the school year commences. The school may recommend to the parent the appropriate classroom placement for multiple birth siblings and may provide professional educational advice to assist the parent with the decision regarding appropriate classroom placement.
- § 115C-366.3(c)** Except as provided in subsection (d), (e), or (f) of this section, a school shall provide the multiple birth siblings with the classroom placement requested by the parent.
- § 115C-366.3(d)** A school is not required to place multiple birth siblings in separate classrooms if the request would require the school district to add an additional class to the grade level of the multiple birth siblings.
- § 115C-366.3(e)** At the end of the first grading period following the multiple birth siblings' enrollment in the school, if the principal of the school, in consultation with the teacher of

each classroom in which the multiple birth siblings are placed, determines that the requested classroom placement is disruptive to the school, the principal may determine the appropriate classroom placement for the siblings.

§ 115C-366.3(f)

This section does not affect the right of a school administrative unit, principal, or teacher to remove a student from a classroom pursuant to the student discipline policies of that school administrative unit. (2011-354, s. 1.)

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
