

ARTICLE 31 - THE SCHOOL BUDGET AND FISCAL CONTROL ACT

Dependent care assistance program.

The State Board of Education is authorized to provide eligible employees of local school administrative units a program of dependent care assistance as available under Section 129 and related sections of the Internal Revenue Code of 1986, as amended. The State Board may authorize local school administrative units to enter into annual agreements with employees who elect to participate in the program to provide for a reduction in salary. Should the State Board decide to contract with a third party to administer the terms and conditions of a program of dependent care assistance, it may select a contractor only upon a thorough and completely competitive procurement process.

FULL SECTION

N.C. Gen. Stat. § 115C-441.1 (1999).

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
