A public school that voluntarily applies for a child care facility license may use an existing or newly constructed classroom in a public school for three- and four-year-old preschool students without modifications to the classroom or building if the classroom:

Has at least one toilet and one sink for hand washing;

Meets kindergarten standards for overhead light fixtures;

Meets kindergarten standards for floors, walls, and ceilings; and

Has floors, walls, and ceilings that are free from mold, mildew, and lead hazards.

A public school that voluntarily applies for a child care facility license shall meet all other requirements for child care facility licensure. (2009-123, s. 1.)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
