It is a matter of vital State concern affecting the public health, safety, and welfare that nonpublic schools continue to be able to fulfill their educational missions during the COVID-19 pandemic without civil liability for any acts or omissions for which immunity is provided in this Part. This Part shall be liberally construed to effectuate those public purposes. The provisions of this Part are severable. If any part of this Part is declared to be invalid by a court, the invalidity does not affect other parts of this Part that can be given effect without the invalid provision. (2020-49, s. 10(a).)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
