

CHAPTER 115C
ARTICLE 8 - GENERAL EDUCATION

N.C.G.S. § 115C-81.36.

Advanced courses in mathematics.

SOURCE General Statutes of North Carolina, as published by the General Assembly	LAST AMENDMENT IN THIS TEXT No amendment history on record	RETRIEVED 21 September 2026, 03:10 UTC	SOURCE FINGERPRINT 7acab924c220ad80b55c0a9a - 9d20368dc5a6fccaa672354c - f8eb7919ad254760

- § 115C-81.36(a)

When practicable, local boards of education shall offer advanced learning opportunities in mathematics in grades three through five, and advanced courses in mathematics in all grades six and higher. For the purposes of this section, advanced learning opportunities are those services and curricular modifications in mathematics for academically or intellectually gifted students approved as part of the local plan, as required by G.S. 115C-150.7.
- § 115C-81.36(a1)

When advanced learning opportunities are offered in mathematics in grades three through five, any student scoring at the highest level on the end-of-grade test shall, for the next school year, be provided advanced learning opportunities in mathematics approved for that student's grade level. No student who qualifies under this subsection shall be removed from the advanced learning opportunity provided to the student unless a parent or guardian of the student provides written consent for the student to be excluded or removed after being adequately informed that the student's placement was determined by the student's achievement on the previous end-of-grade test.
- § 115C-81.36(b)

When advanced courses are offered in mathematics in grades six and higher, any student scoring at the highest level on the end-of-grade or end-of-course test for the mathematics course in which the student was most recently enrolled shall be enrolled in the advanced course for the next mathematics course in which the student is enrolled. A student in seventh grade scoring at the highest level on the seventh grade mathematics end-of-grade test shall be enrolled in a high school level mathematics course in eighth grade. Local boards of education may provide supplemental content enrichment, which may include the administration of diagnostic assessments, to

students enrolled in a high school level mathematics course. No student who qualifies under this subsection shall be removed from the advanced or high school mathematics course in which the student is enrolled unless a parent or guardian of the student provides written consent for the student to be excluded or removed from that course after being adequately informed that the student's placement was determined by the student's achievement on the previous end-of-grade or end-of-course test.

§ 115C-81.36(c) By December 15, 2020, and annually thereafter, the Department of Public Instruction shall submit a report to the Joint Legislative Education Oversight Committee containing data collected for the current school year on the number and demographics of students who were eligible for advanced mathematics courses under this section, including high school level mathematics courses in eighth grade, and of those students, the number and demographics of those who were placed in advanced mathematics courses and were not placed in advanced mathematics courses. The report shall include information on the type and format of advanced mathematics courses provided and shall also include any feedback provided by local boards of education on the implementation of this section.

§ 115C-81.36(d) The Department of Public Instruction shall provide guidance to local boards of education on how to best develop programming and courses to ensure all impacted students receive rigorous, academically appropriate instruction in mathematics.- (2018-32, s. 2(a); 2019-120, s. 1.)

FULL SECTION

N.C. Gen. Stat. § 115C-81.36 (2026).

PINPOINT

N.C. Gen. Stat. § 115C-81.36(a) (2026).

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
