- § 115D-10.10(b)

Addition of the college transfer program shall not decrease an institution's ability to provide programs within its basic mission of vocational and technical training and basic academic education.

The Board of Governors of The University of North Carolina shall report to each community college and to the State Board of Community Colleges in accordance with G.S. 116-11(10b) on the academic performance of that community college's transfer students. If the State Board of Community Colleges finds that college transfer students from a community college are not consistently performing adequately at a four-year college, the Board shall review the community college's program and determine what

steps are necessary to remedy the problem. The Board shall report annually to the General Assembly on the reports it receives and on what steps it is taking to remedy problems that it finds.

**§ 115D-10.10(f)** The Community Colleges System Office shall report annually by April 15 to the Joint Legislative Education Oversight Committee, the State Board of Education, the Office of State Budget and Management, and the Fiscal Research Division of the General Assembly on the implementation of the UNC-NCCCS 2+2 E-Learning Initiative. ## Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
