The provisions of Chapter 97 of the General Statutes of North Carolina, the Workers' Compensation Act, shall apply to all institutional employees. Each board of trustees is authorized to purchase insurance to cover workers' compensation liability and to include the cost of insurance in the annual budget of the institution.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
