General Statutes of North Carolina, as published by the General Assembly	S.L. 1999-237, s. 28.27(a) — sixth act in the lineage	21 September 2026, 04:47 UTC	76173799239c92a6e3a8036b - 26066a47ea8703e8f9a94708 - cf287f5b90c49684

The Board of Governors of The University of North Carolina is authorized to provide eligible employees of constituent institutions a program of dependent care assistance as available under Section 129 and related sections of the Internal Revenue Code of 1986, as amended. The Board of Governors may authorize constituent institutions to enter into annual agreements with employees who elect to participate in the program to provide for a reduction in salary. With the approval of the Director of the Budget, savings in the employer's share of contributions under the Federal Insurance Contributions Act on account of the reduction in salary may be used to pay some or all of the administrative expenses of the program. Should the Board of Governors decide to contract with a third party to administer the terms and conditions of a program of dependent care assistance, it may select a contractor only upon a thorough and completely competitive procurement process.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
