SOURCE	LAST AMENDMENT IN THIS TEXT	RETRIEVED	SOURCE FINGERPRINT
General Statutes of North Carolina, as published by the General Assembly	S.L. 2008-192, s. 9 — tenth act in the lineage	21 September 2026, 03:34 UTC	8fe07261855612c584b19152 - c4f9db8b7ef07fde8592488f - 5488586cb4c5f216

The Authority is authorized to make grants to eligible students enrolled or to be enrolled in eligible institutions in North Carolina out of such money as from time to time may be appropriated by the State or as may otherwise be available to the Authority for such grants. The Authority, subject to the provisions of this Article and any applicable appropriation act, shall adopt rules, regulations and procedures for determining the needs of the respective students for grants and for the purpose of making such grants. The amount of any grant made by the Authority to any student, whether enrolled or to be enrolled in any private institution or any tax-supported public institution, shall be determined by the Authority upon the basis of substantially similar standards and guides that shall be set forth in the Authority's rules, regulations and procedures; provided, however, that grants made in any fiscal year to students enrolled or to be enrolled in private institutions may be increased to compensate, in whole or in part, for the average annual State appropriated tuition subsidy for such fiscal year, determined as provided herein. The average annual State appropriated subsidy for each fiscal year shall be determined by the Secretary of Administration, after consultation with the Board of Governors of the University of North Carolina and the Authority, for each of the two categories of tax-supported institutions, being (i) institutions, presently 16, that provide education of the collegiate grade and grant baccalaureate degrees and (ii) institutions, such as community colleges and technical institutes created and existing under Chapter 115A of the General Statutes and community colleges created and existing under Chapter 115D of the General Statutes. The average annual State appropriated subsidy for each of such two categories of institutions shall mean the amount of the total appropriations of the State for the respective fiscal years under the current operations budgets, pursuant to the State Budget Act reasonably allocable to undergraduate students enrolled in such institutions exclusive of the Division of Health Affairs of the University of North Carolina and the North Carolina School of the Arts, redesignated effective August 1, 2008, as the "University of North Carolina School of the Arts" for all institutions in such category, all as shall be determined by the Secretary of Administration after consultation as above provided, divided by the budgeted number of North Carolina undergraduate students to be enrolled in such fiscal year.

The Authority, in determining the needs of students for grants, may among other factors, give consideration to the amount of other financial assistance that may be available to the students, such as nonrepayable awards under the Pell Grant Program, the Health Professions Education Assistance Act or other student assistance programs created by federal law.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
