Scholarship Amounts. - Subject to the availability of funds in the Scholarship Reserve Fund for Public Colleges and Universities, as provided in G.S. 116-209.85- , a scholarship awarded under this Part to a student at an eligible postsecondary institution shall be based upon a consolidated payment schedule established jointly by the President of The University of North Carolina and the President of the North Carolina Community College System, in consultation with the Authority. The payment schedule shall clearly define award amounts by type of eligible postsecondary institution and student financial need as defined by federal methodology. The Authority shall publish the payment schedule for the Program in an easily accessible and understandable format. Once published, a payment schedule shall remain in effect unless otherwise agreed by the President of The University of North Carolina and the President of the North Carolina Community College System.
- § 116-209.83(b)

Availability of Scholarships. - Subject to the payment schedule described in subsection (a) of this section, the Authority shall have the power to determine the actual scholarship amounts disbursed to students in any given year based on the amount of funds available in the Scholarship Reserve Fund for Public Colleges and Universities created pursuant to G.S. 116-209.85. If the funds available are not sufficient to fully fund the scholarships as set forth in the payment schedule established pursuant to subsection (a) of this section, the Authority, in consultation with the President of The University of North Carolina and the President of the North Carolina Community College System, shall adjust the distribution of the funds as necessary. COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
