General Statutes of North Carolina, as published by the General Assembly	No amendment history on record	21 September 2026, 04:02 UTC	a28195f8a408dfd75d8871aa - 29d11388fcd93b475714c18 - 6448932d3cb95f52

§ 116-209.91(a) Except as otherwise provided in this subsection, the Authority shall administer the tuition grants provided for in this Part pursuant to guidelines and procedures established by the Authority consistent with its practices for administering State-funded financial aid. The guidelines and procedures shall include an application process and schedule, notification and disbursement procedures, standards for reporting, and standards for return of tuition grants when a student withdraws. The Authority shall also require students to submit (i) a completed Free Application for Federal Student Aid (FAFSA) form or (ii) other documentation, as necessary, to administer and award the tuition grant. The Authority shall not approve any grant until it receives proper certification from the appropriate constituent institution that the student applying for the grant is an eligible student. Upon receipt of the certification, the Authority shall remit, at the times it prescribes, the tuition grant to the constituent institution on behalf, and to the credit, of the eligible student. In the event a student on whose behalf a tuition grant has been paid is not enrolled in an undergraduate program and carrying a minimum academic load as of the tenth classroom day following the beginning of the school term for which the tuition grant was paid, the constituent institution shall refund the full amount of the tuition grant to the Authority.

§ 116-209.91(b) Except as otherwise provided in this section, the amount of the grant awarded to an eligible student under the Program shall cover the tuition cost at the constituent institution in which the eligible student is enrolled. No tuition grant awarded to an eligible student under this section shall exceed the cost of attendance at a constituent institution for which the eligible student is enrolled.

- § 116-209.91(c)

If an eligible student also receives a scholarship or other grant covering the cost of attendance at the constituent institution for which the tuition grant is awarded, then the amount of the tuition grant shall be reduced by an appropriate amount determined by the Authority so that the total amount of scholarships and grants received by the eligible student does not exceed the cost of attendance for the institution. The cost of attendance shall be determined by the Authority for each constituent institution.
- § 116-209.91(c1)

The Authority shall place all funds appropriated to, or otherwise received by, the Authority for the award of tuition grants under this Part into an institutional trust fund established in accordance with the provisions of G.S. 116-36.1. All interest earned on these funds shall also be placed in the institutional trust fund established pursuant to this subsection. The monies in the institutional trust fund may be used only for the purposes set forth in this Part.
- § 116-209.91(d)

In the event there are not sufficient funds to provide each eligible student who has applied in accordance with the application process and the schedule established by the Authority with a full tuition grant as provided by this Part, each eligible student shall receive a pro rata share of funds available for the academic term covered by the appropriation in the preceding fiscal year.
- § 116-209.91(e)

The Authority may use up to five percent (5%) of the funds appropriated each year for tuition grants under this Part for the administrative costs of the Program. (2021-180, s. 8A.1(a); 2022-74, s. 8A.2(b); 2023-134, s. 8A.3(a); 2026-9, s. 3.1(a).)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
