N.C.G.S. § 116-220.1.

Funding of self-insurance program.

SOURCE	LAST AMENDMENT IN THIS TEXT	RETRIEVED	SOURCE FINGERPRINT
General Statutes of North Carolina, as published by the General Assembly	c. 263, s. 2 — second act in the lineage	21 September 2026, 04:10 UTC	1d4fa75a4088def286c8b539 - 21561096f4abc414c5f205ee - 39d67285301dfac8

§ 116-220.1(a) If the Board elects to establish a self-insurance trust fund, the initial contribution to the fund shall be determined by an independent actuary but shall be no less than three hundred thousand dollars (\$300,000). Annual contributions to said fund shall be made in an amount to be determined each year by the Trust Fund Council upon the advice of an independent actuary and shall include amounts necessary to pay all costs of administration of the self-insurance program and claims adjustment including litigation in addition to amounts necessary to pay claims. Contributions shall be no less than one hundred fifty percent (150%) of the amounts actually paid each year on medical malpractice claims until such time as the Trust Fund Council, with the advice of an independent actuary and the approval of the Board of Governors, determines that an annual contribution in a lesser amount will not impair the adequacy of the fund to satisfy existing and potential health care malpractice claims for a period of one year.

§ 116-220.1(b) Claims certified to be paid from the fund shall be paid in the order of award or settlement. In the event that the fund created hereunder shall at any time have insufficient funds to assure that both existing and future claims will be paid, the Board is hereby authorized to borrow necessary amounts up to thirty million dollars (\$30,000,000) per established self-insurance trust fund account to replenish the fund. The Board shall maintain funds in each self-insurance trust at no less than one hundred thousand dollars (\$100,000) at all times.

§ 116-220.1(c) Funds borrowed by the Board to replenish the trust fund account may be secured by pledging noncapital assets of the members. Members shall mean those entities, agencies, departments or divisions of the University which directly contribute funds

to the self-insurance trust. In no event shall individual health care providers be deemed members for the purposes of this section.

§ 116-220.1(d) Obligations issued under the provisions of this Article shall not be deemed to constitute a debt, liability or obligation of the State or of any political subdivision thereof or a pledge of the faith and credit of the State or of any such political subdivision but shall be payable solely from the revenues or assets of the members. Each obligation issued under this Article shall contain on the face thereof a statement to the effect that the University shall not be obligated to pay the same nor the interest thereon except from the revenues or assets pledged therefor and that neither the faith and credit nor the taxing power of the State or of any political subdivision thereof is pledged to the payment of the principal of or the interest on such obligation.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
