The Arboretum shall be prepared for viewing and maintaining the necessary plantings that will be added to the present vegetation of the site in order to make the Arboretum fully representative of Western North Carolina. Extensive clearing of underbrush and other debris needed to prepare the area for demonstrations, installation of fencing for security purposes, land modifications and improvement, and plant acquisitions shall be carried out to make the Arboretum both representative and accessible to the public. Roads and pathways shall be constructed as necessary throughout the Arboretum to enable visitors to ride and walk through the area in order to observe and study the various kinds of vegetation. An extensive program of identification of trees, shrubs, and other living material shall be ongoing at the Arboretum. Necessary visitor and educational buildings, greenhouses, and a small lecture hall, with restrooms and other associated requirements, shall be constructed on the property. Machine sheds and service buildings shall also be constructed on the property to house equipment and to provide working space for the personnel employed in developing and operating the Arboretum. (1985 (Reg. Sess., 1986), c. 1014, s. 98.)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
