The General Assembly of North Carolina recognizes that each constituent institution of The University of North Carolina would be greatly strengthened by the addition of distinguished scholars for degree programs in STEM subject areas. It further recognizes that private as well as State support is preferred in helping to obtain distinguished scholars for constituent institutions and that private support will help strengthen the commitment of citizens and organizations in promoting excellence throughout The University of North Carolina. It is the intent of the General Assembly to establish a trust fund to provide the opportunity to each constituent institution to receive and match challenge grants to create endowments for selected distinguished professors for degree programs in STEM subject areas to occupy chairs within the institution. The associated foundations that serve the constituent institutions shall solicit and receive gifts from private sources to provide for matching funds to the trust fund challenge grants for the establishment of endowments for chairs for degree programs in STEM subject areas within constituent institutions.

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
