The Cabinet shall identify and support efforts that achieve the following purposes:

- (1) Support cooperative innovative high school programs developed under Part 9 of Article 16 of Chapter 115C of the General Statutes.
- (2) Improve high school completion rates and reduce high school dropout rates.
- (3) Close the achievement gap.
- (4) Create redesigned middle schools or high schools.
- (5) Provide flexible, customized programs of learning for high school students who would benefit from accelerated, higher level coursework or early graduation.
- (6) Establish high quality alternative learning programs.
- (7) Establish a virtual high school.
- (8) Implement other innovative education initiatives designed to advance the State's system of education.

§ 116C-4(b) The Education Cabinet shall identify federal, State, and local funds that may be used to support these initiatives. In addition, the Cabinet is strongly encouraged to pursue private funds that could be used to support these initiatives.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
