§ 116D-28(a) Board to Provide Sufficient Resources. - For the purpose of aiding in the financing of a special obligation bond project and to provide security to the owners of the special obligation bonds issued to finance the special obligation bond project, the Board of Governors is authorized, to the extent the generation of the obligated resources is in the control of the Board, to fix, revise from time to time, charge, and collect the rents, charges, fees, or other revenues constituting the obligated resources. Fees and other revenue sources constituting obligated resources may be imposed or increased only with the approval of the Board of Governors. As long as any special obligation bonds issued under this Article and payable from those obligated resources are outstanding, the obligated resources, to the extent within the control of the Board of Governors, shall be so fixed and adjusted, with relation to other funds available, as to provide funds pursuant to the requirements of the resolution or trust agreement authorizing or securing the special obligation bonds and at least sufficient to pay the principal of and the interest on the special obligation bonds as they become due and payable, to assure the continued collection of the obligated resources, and to create and maintain reserves for these purposes. A sufficient amount of the obligated resources, except any part that may be necessary to pay the cost of maintenance, repair, and operation, and to provide reserves for these purposes and for renewals, replacements, extensions, enlargements, and improvements as may be provided for in the resolution authorizing the issuance of the special obligation bonds or in the trust agreement securing the same, shall be set aside at regular intervals as may be provided in the resolution or trust agreement authorizing the issuance of the special obligation bonds in a sinking fund which is hereby pledged to, and charged with, the payment of the principal of and the interest on the special obligation bonds as they become due and the redemption

price or the purchase price of special obligation bonds retired by call or purchase as provided in the resolution or trust agreement. This pledge shall be valid and binding from the time it is made, the obligated resources so pledged and thereafter received by the Board of Governors shall immediately be subject to the lien of the pledge without any physical delivery of the pledge or further act, and the lien of the pledge shall be valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the Board of Governors, irrespective of whether the parties have notice of the pledge. Neither the resolution nor any trust agreement by which a pledge is created need be filed or recorded except in the records of the Board of Governors. The use and disposition of moneys to the credit of the sinking fund shall be subject to the provisions of the resolution authorizing the issuance of the special obligation bonds or of the trust agreement securing the bonds.

§ 116D-28(b)

State Pledge. - The State pledges to, and agrees with, the holders of any special obligation bonds or notes issued by the Board of Governors pursuant to this Article that as long as any of the special obligation bonds or notes are outstanding and unpaid, the State will not limit or alter the rights vested in the Board of Governors at the time of issuance of the special obligation bonds or notes to set the terms and conditions of the special obligation bonds or notes and to fulfill the terms of any agreements made with the bondholders or noteholders. The State shall in no way impair the rights and remedies of the bondholders or noteholders until the special obligation bonds or notes and all costs and expenses in connection with any action or proceedings by or on behalf of the bondholders or noteholders are fully paid, met, and discharged. This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
