- § 116E-2(a)

The North Carolina Longitudinal Data System is a statewide data system that contains individual-level student data and workforce data from all levels of education and the State's workforce. The purpose of the System is to do the following:

(1)

Facilitate and enable the exchange of student data among agencies and institutions within the State.

(2)

Generate timely and accurate information about student performance that can be used to improve the State's education system and guide decision makers at all levels.

(3)

Facilitate and enable the linkage of student data and workforce data.

§ 116E-2(b)

Repealed by Session Laws 2025-62, s. 3(a), effective July 1, 2025. (2012-133, s. 1(a); 2025-62, s. 3(a).)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
