- § 119-27.2(a)

The Gasoline and Oil Inspection Board shall adopt rules to require labels for all dispensing pumps and other dispensing devices that offer ethanol-blended gasoline for retail sale in North Carolina. The Board shall require the use of labels to indicate that the gasoline offered for retail sale contains either of the following:

(1)

Ten percent (10%) or less ethanol by volume.

(2)

Greater than ten percent (10%) ethanol by volume.
- § 119-27.2(b)

Rules adopted pursuant to subsection (a) of this section may include information as to the ethanol content of blended gasoline that is more specific than the information required by subsection (a) of this section. (2011-25, s. 1.)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
