General Statutes of North Carolina, as published by the General Assembly	S.L. 2009-386, s. 1 — fifth act in the lineage	21 September 2026, 04:11 UTC	7685667cd33e9cfa0e4d6486 - bd1e4a51a1dd21462e3bc597 - a33b7a1d382a3f2a

A person shall not hold himself out or commence operation as a dealer without first having registered as provided in this section. A dealer shall register with the Commissioner on a form to be furnished by the Commissioner. Such form shall give the name and address of the dealer, the place or places of and type or types of business of such dealer, and such other pertinent information as the Commissioner may deem necessary. Verification of the insurance coverage required by this section or of proof of alternative means of financial responsibility permitted by this section shall be submitted to the Commissioner as a condition of the issuance of any registration or renewal of such registration.

There shall be two classes of dealers:

A Class A dealer is one who engages in the transportation of liquefied petroleum gas.

A Class B dealer is one who does not engage in the transportation of liquefied petroleum gas.

A Class A dealer shall obtain and maintain general liability insurance, including product liability, of one million dollars (\$1,000,000) and motor vehicle liability insurance of one million dollars (\$1,000,000) combined single limit. A Class B dealer shall obtain and maintain general liability insurance, including product liability, of one hundred thousand dollars (\$100,000). Verification of said insurance coverage shall be made in a manner satisfactory to the Commissioner. The Commissioner may from time to time request in writing that a dealer provide within 10 days of such request verification of said insurance coverage or proof of alternative means of financial responsibility. In lieu of insurance, the dealer may file and maintain a bond, certificate of deposit or irrevocable letter of credit in a form satisfactory to the Commissioner which provides protection for the public in the same amounts and to the same extent as said insurance.

The provisions of this section shall not apply to a dealer who retails liquefied petroleum gas in containers of less than 50 pounds water capacity and which retailing does not involve the filling or transportation of such containers.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
