- § 121-4.1(a)

The Department of Natural and Cultural Resources may establish, expand, and maintain a North Carolina Register of Historic Places composed of districts, sites, buildings, structures, and objects significant in North Carolina history, architecture, archaeology, engineering, and culture. Until such time as the North Carolina Register of Historic Places is established, all references to it in the General Statutes and in the rules adopted pursuant to it shall be construed to mean properties and districts in North Carolina that are listed in the National Register of Historic Places.
- § 121-4.1(b)

The North Carolina Historical Commission shall establish criteria for properties to be included in the State Register of Historic Places, and, within such criteria, shall provide for levels of significance as necessary and appropriate.
- § 121-4.1(c)

If the owner or owners of any privately owned property, or a majority of the owners of such properties within the district in the case of an historic district, object to such inclusion or designation, such property shall not be included on the North Carolina Register until such objection has been withdrawn. The regulations under this paragraph shall include provisions to carry out the purposes of this paragraph in the case of multiple ownership of a single property.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
