- § 122C-125.3(a)

In its contracts with LME/MCOs, the Department shall establish solvency standards based on industry-standard financial accounting measures such as the current ratio of assets to liabilities, defensive interval ratio of current assets to average monthly expenditure, capital reserves, and profit and loss. The contracts shall require the development of a corrective action plan when an LME/MCO does not meet the solvency standards specified in the contract.
- § 122C-125.3(b)

Each LME/MCO shall provide the Department with monthly financial reports containing the data needed to calculate the financial accounting measures and assess the LME/MCO's adherence to the solvency standards established in the contract.
- § 122C-125.3(c)

On a quarterly basis, beginning on April 1, 2024, the Department shall publish to its website a dashboard reporting all of the following information for each LME/MCO for the previous quarter:

(1)

Each solvency standard applicable to the LME/MCO under its contracts with the Department, including any applicable minimum or maximum threshold.

(2)

The financial position of the LME/MCO relative to each solvency standard applicable to the LME/MCO under its contracts with the Department.

- (3) Whether the LME/MCO is under any corrective action plan related to the solvency standards applicable to the LME/MCO under its contracts with the Department, and whether the LME/MCO is in compliance with any such corrective action plan.

§ 122C-125.3(d)

The Department shall notify the Joint Legislative Oversight Committee on Health and Human Services, the Joint Legislative Oversight Committee on Medicaid, and the Fiscal Research Division when the information required under subsection (c) of this section has been published to the Department's website. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
