General Statutes of North Carolina, as published by the General Assembly	S.L. 2023-65, s. 5.2(b) — third act in the lineage	21 September 2026, 05:35 UTC	1acacabf66048c8225394097 - 259f817477ddf377a8eb98c1 - 63dc29a5d7a42897

§ 122C-147.2(a)

When funds are used to purchase services, the following provisions apply:

- (1) Reimbursement rates for specific types of service shall be negotiated between the Secretary and the area authority. The negotiation shall begin with the rate determined by a standardized cost-finding and rate-setting procedure approved by the Secretary.
- (2) The reimbursement rate used for the payment of services shall incorporate operating and administrative costs, including costs for property in accordance with G.S. 122C-147.

§ 122C-147.2(b)

To ensure uniformity in rates charged to area programs and funded with State-allocated resources, the Division of Mental Health, Developmental Disabilities, and Substance Use Services of the Department of Health and Human Services may require a private agency that provides services under contract with an area program or county program, except for hospital services that have an established Medicaid rate, to complete an agency-wide uniform cost finding in accordance with subsection (a) of this section. The resulting cost shall be the maximum included for the private agency in the contracting area program's unit cost finding. If a private agency fails to timely and accurately complete the required agency-wide uniform cost finding in a manner acceptable to the Department's controller's office, the Department may suspend all Department funding and payment to the private agency until such time

as an acceptable cost finding has been completed by the private agency and approved by the Department's controller's office.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
