Nothing contained in Parts 2 through 5 of this Article requires a private physician or private facility to accept an individual as a client for examination or treatment. Examination or treatment at a private facility or by a private physician is at the expense of the individual to the extent that charges are not disposed of by contract between the area authority and private facility.

FULL SECTION

N.C. Gen. Stat. § 122C-209 (1985).

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

## COLOPHON

## Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
