Application for admission is made as follows:

- (1) A minor with intellectual or other developmental disabilities may be admitted upon application by both the father and the mother if they are living together and, if not, by the parent or parents having custody or by the legally responsible person.

§ 122C-241(b) Prior to admission to a 24-hour facility, the individual shall be examined and evaluated by a physician or psychologist to determine whether the individual has a developmental disability. In addition, the individual shall be examined and evaluated by a qualified developmental disabilities professional no sooner than 31 days prior to admission or within 72 hours after admission to determine whether the individual is in need of care, habilitation, rehabilitation, training, or treatment by the facility. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
