General Statutes of North Carolina, as published by the General Assembly	c. 454, s. 3 — third act in the lineage	21 September 2026, 05:38 UTC	aae9ebcc6282a6d4c5846cb9 - e24d8f7aed386a63f741cf8f - eee5a079bd484ac2

§ 122A-5.8(a) The General Assembly hereby finds and determines that a serious shortage of decent, safe and sanitary multi-family residential rental housing which persons and families of low and moderate income in the State can afford continues to exist; that it is in the best interests of the State to continue to promote and maintain the viability of such housing and to encourage private enterprise to sponsor, build and rehabilitate additional multi-family residential rental housing for such low and moderate income persons and families; that certain multi-family residential rental housing projects financed by the Agency are currently experiencing financial difficulties due to low occupancy levels; that measures to facilitate higher occupancy levels by extending occupancy on a temporary basis to those with incomes in excess of required low and moderate levels will help to maintain certain multi-family residential rental housing for persons and families of low and moderate income to prevent foreclosure and the use of such facilities without regard to income limitations; and that the Agency in providing such temporary assistance is promoting the health, welfare and property of all citizens of the State and is serving a public purpose for the benefit of the general public.

§ 122A-5.8(b) "Distressed rental housing project" means any multi-family residential rental housing project heretofore or hereafter financed by the Agency that, as determined by resolution of the Board of Directors of the Agency, has an occupancy level below that required for sustaining operation and as a result thereof needs to increase its occupancy levels in order to avoid foreclosure and the subsequent use of such facilities without regard to the Agency's income limitations. In determining the foregoing, the

Board of Directors of the Agency shall take into consideration (1) occupancy rates of the project, (2) market conditions affecting the project, (3) costs of operation of the project, (4) debt service for the project, (5) management of the project and such other factors as the Board of Directors may deem relevant.

§ 122A-5.8(c)

The Board of Directors of the Agency may determine, by resolution, to permit not in excess of ten percent (10%) of the rental units in any distressed rental housing project to be rented to persons or families without regard to income until the project's occupancy levels, in the judgment of the Agency, will sustain operations at a level sufficient to prevent delinquency or default.

§ 122A-5.8(d)

The Board of Directors may also determine, by resolution, to permit additional rental units at any such distressed rental housing project, to be rented to persons or families without regard to income, subject to the restriction contained in subsection (c) of this section, provided that: (1) the units therein that have been available for rental without regard to income have been available for a period of time not less than three months, (2) the Agency has determined that permitting additional units, in excess of ten percent (10%), to be rented without regard to income is necessary in order for such distressed rental housing project to avoid foreclosure, and (3) the total number of housing units at any distressed rental housing project rented without regard to income shall not exceed fifteen percent (15%) of the total number of units therein.

§ 122A-5.8(e)

Once a distressed rental housing project attains sustaining occupancy at a level satisfactory to the Agency, the Agency will thereafter require the owners of such distressed rental housing project to rent only to persons and families of low and moderate income and will require that any units that were leased without regard to income limitations pursuant to the provisions of this section will next be leased, when such units become vacant, only to persons and families whose incomes fall within the then current Agency income limitations.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
