- § 127B-32(a)

If a servicemember who is a member of the North Carolina National Guard, or who is a member of the National Guard of another state who resides in this State, has a lease agreement on the servicemember's residence and the lease agreement expires while the servicemember is engaged, for any period of time, in State active duty or service under an order of the governor of another state that is similar to State active duty, the servicemember is entitled to extend the lease agreement to terminate 10 days after the servicemember's State active duty or service terminates upon providing written or electronic notice to the landlord or the landlord's representative. The terms of the lease agreement during this period of extension shall be the same terms that applied during the month before the expiration.
- § 127B-32(b)

This section applies only to servicemembers who are current on all rents and security deposits required and in good standing regarding the lease agreement. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
