Certified copies of birth certificates shall be accepted by public school authorities in this State as prima facie evidence of the age of children registering for school attendance, and no other proof shall be required. In addition, certified copies of birth certificates shall be required by all factory inspectors and employers of youthful labor, as prima facie proof of age, and no other proof shall be required. However, when it is not possible to secure a certified copy of a birth certificate, factory inspectors and employers may accept as secondary proof of age any competent evidence by which the age of persons is usually established. COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
