When the Department has a reasonable suspicion that a child less than six years of age has an elevated blood lead level or a confirmed lead poisoning, the Department may require that child to be examined and tested within 30 days. The Department shall require from the owner, managing agent, or tenant of the residential housing unit or child-occupied facility information on each child who resides in, regularly visits, or attends, or, who has within the past six months, resided in, regularly visited, or attended the unit or facility. The information required shall include each child's name and date of birth, the names and addresses of each child's parents, legal guardian, or full-time custodian. The owner, managing agent, or tenant shall submit the required information within 10 days of receipt of the request from the Department. (1997-443, s. 15.30(b); 2003-150, s. 3.)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
