An area may be declared under quarantine against rabies by the local health director when the disease exists to the extent that the lives of persons are endangered. When quarantine is declared, each animal in the area that is required to be vaccinated under this Part shall be confined on the premises of the owner or in a veterinary hospital unless the animal is on a leash or under the control and in the sight of a responsible adult.

FULL SECTION

N.C. Gen. Stat. § 130A-194 (2009).

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
