General Statutes of North Carolina, as published by the General Assembly	1995 (Reg. Sess., 1996), c. 594, s. 12 — third act in the lineage	21 September 2026, 03:03 UTC	17dcec34a8d49b203c765f6c - 1293dbb4076daebbe32e3f06 - be120435e2b8c861

§ 130A-309.08(a) Each county and each municipality shall annually determine the full cost for solid waste management within the service area of the county or municipality for the preceding year. The Commission shall establish by rule the method for units of local government to use in calculating full cost.

§ 130A-309.08(b) Each municipality shall establish a system to inform, no less than once a year, residential and nonresidential users of solid waste management services within the municipality's service area of the user's share, on an average or individual basis, of the full cost for solid waste management as determined pursuant to subsection (a) of this section. Counties shall provide the information required of municipalities only to residential and nonresidential users of solid waste management services within the county's service area that are not served by a municipality. Municipalities shall include costs charged to them or to persons contracting with them for disposal of solid waste in the full cost information provided to residential and nonresidential users of solid waste management services. Counties and municipalities are encouraged to operate their solid waste management systems through use of an enterprise fund.

§ 130A-309.08(c) For purposes of this section, "service area" means the area in which the county or municipality provides, directly or by contract, solid waste management services. The provisions of this section shall not be construed to require a person operating under a franchise contract or other agreement to collect or dispose of solid waste within

the service area of a county or municipality to make the calculations or to establish a system to provide the information required under this section, unless such person agrees to do so as part of such franchise contract or other agreement.

§ 130A-309.08(d) A county may charge fees for the collection, processing, or disposal of solid waste as provided in Article 15 of Chapter 153A of the General Statutes. A city may charge fees for the collection, processing, or disposal of solid waste as provided in Article 16 of Chapter 160A of the General Statutes.

§ 130A-309.08(e) , (f) Repealed by Session Laws 1995 (Regular Session, 1996), c. 594, s. 12.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
