

CHAPTER 130A
ARTICLE 9 - SOLID WASTE MANAGEMENT

N.C.G.S. § 130A-309.

Corrective actions beyond facility boundary.

SOURCE	LAST AMENDMENT IN THIS TEXT	RETRIEVED	SOURCE FINGERPRINT
General Statutes of North Carolina, as published by the General Assembly	c. 168, s. 28 — second act in the lineage	21 September 2026, 04:16 UTC	d5efbad7455efa3286d46e4a - 5aef57c725fd13d8797f07ff - 2f3edee2af1982e7

Standards adopted under G.S. 130A-294(c) shall require that corrective action be taken beyond the facility boundary where necessary to protect human health and the environment unless the owner or operator of the facility concerned demonstrates to the satisfaction of the Department that, despite the owner or operator's best efforts, the owner or operator was unable to obtain the necessary permission to undertake such action. Such standards shall take effect upon adoption and shall apply to:

All facilities operating under permits issued under G.S. 130A-294(c); and

All disposal facilities, surface impoundments, and waste pile units (including any new units, replacements of existing units or lateral expansions of existing units) which receive hazardous waste after July 26, 1982.

Pending adoption of such rules, the Department shall issue corrective action orders for facilities referred to in (1) and (2), on a case-by-case basis, consistent with the purposes of this section. Notwithstanding any other provision of this section, this section shall apply only to units, facilities, and permits that are covered by Section 3004(v) of RCRA (42 U.S.C. § 6924(v)). Notwithstanding the foregoing, corrective action authorized elsewhere in this Chapter shall not be limited by this section.

FULL SECTION

N.C. Gen. Stat. § 130A-309 (1989).

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
