§ 130A-453.10(a) Standards. - The Commission shall establish standards to ensure that inspections, risk assessments, and abatements performed under this Article result in the elimination of lead-based paint hazards. An inspection, risk assessment, or abatement performed under this Article must be performed in accordance with these standards.

§ 130A-453.10(b) Information. - The Department shall prepare a fact sheet on abatement for distribution to consumers. The sheet shall list the various measures for abatement of a child-occupied facility or target housing and give the relative cost of each measure. A person who is certified under this Article shall give a copy of the sheet to a person for whom the certified person performs an abatement. (1997-523, s. 1.)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
