- § 130A-453.23(a)

This Article is enacted to establish an authorized State program under sections 402 and 406 of the Toxic Substance Control Act, 15 U.S.C. §§ 2682 and 2686, as enacted by Subtitle B of the Residential Lead-Based Paint Hazard Reduction Act of 1992, 42 U.S.C. § 4852(d), that will apply in this State in lieu of the corresponding federal program administered by the United States Environmental Protection Agency (EPA). This Article requires that renovations for compensation in target housing and child-occupied facilities be performed or directed by certified renovators and certified firms; establishes procedures and requirements for certification of individuals and firms that perform renovation activities for compensation; and establishes renovation work practice standards. This Article also requires the accreditation of renovation training providers and courses and establishes record-keeping requirements.
- § 130A-453.23(b)

Certified renovation firms are required to distribute EPA-approved pamphlets.- (2009-488, s. 1.)

## Citation

## FULL SECTION

N.C. Gen. Stat. § 130A-453.23 (2026).

## PINPOINT

N.C. Gen. Stat. § 130A-453.23(a) (2026).

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

## COLOPHON

## Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
