- § 130A-5.1(a)

The Secretary shall adopt measurable standards and goals for community health against which the State's actions to improve the health status of its citizens will be measured. The Secretary shall report annually to the General Assembly upon its convening or reconvening and to the Governor on all of the following:

(1) How the State compares to national health measurements and established State goals for each standard. Comparisons shall be reported using disaggregated data for health standards.

(2) Steps taken by State and non-State entities to meet established goals.

(3) Additional steps proposed or planned to be taken to achieve established goals.
- § 130A-5.1(b)

The Secretary may coordinate and contract with other entities to assist in the establishment of standards and preparation of the report. The Secretary may use resources available to implement this section. (2000-67, s. 11.)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
