General Statutes of North Carolina, as published by the General Assembly	c. 891, s. 2 — sixth act in the lineage	21 September 2026, 02:08 UTC	cb901ec0d40fe2399884e84a - 16e005000a49c1c15e23cb51 - eea3ace6beec4829

§ 130A-60(a) A report filed by the engineers pursuant to G.S. 130A-59 shall be given consideration by the sanitary district board and the board shall adopt a plan. Before adopting a plan the board may hold a public hearing for the purpose of considering objections to the plan. Once adopted, the sanitary district board shall submit the plan to the Department. The plan shall not become effective until it is approved by the Department.

§ 130A-60(b) The provisions of this section and of G.S. 130A-58 shall apply when the sanitary district board determines that adoption of the plan requires the issuance of bonds. However, these provisions shall not apply to a proposed purchase of firefighting equipment and apparatus. Failure to observe or comply with these provisions shall not, however, affect the validity of the bonds of a sanitary district.

PINPOINT

N.C. Gen. Stat. § 130A-60(a) (1983).

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
