General Statutes of North Carolina, as published by the General Assembly	S.L. 2019-240, s. 27.1(a), (b) — third act in the lineage	21 September 2026, 05:35 UTC	a23aa190087cc096b707d8f8 - fc2488680e4a547a1c4ab7c2 - 9d2b473e7dd73acf

It is hereby declared to be the policy of the State of North Carolina to promote the public health and welfare by providing means for financing, refinancing, acquiring, constructing, equipping and providing of health care facilities to serve the people of the State and to make accessible to them modern and efficient health care facilities.

The General Assembly hereby finds and declares that:

There is a need to overcome existing and anticipated physical and technical obsolescence of existing health care facilities and to provide additional modern and efficient health care facilities in the State; and

Unless measures are adopted to alleviate such need, the shortage of such facilities will become increasingly more urgent and serious; and

In order to meet such shortage and thereby promote the public health and welfare of the people of the State, it is necessary for the State to assist in the providing of adequate modern and efficient health care facilities in the State so that health and hospital care and services may be expanded, improved and fostered to the fullest extent practicable.

The General Assembly hereby further finds and declares that the financing, refinancing, acquiring, constructing, equipping and providing of health care facilities are public uses and public purposes and that enactment of this Article is necessary and proper for effectuating the purposes hereof.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
