Except as otherwise provided in this Article, the Medical Care Commission shall adopt rules necessary to carry out this Article. The Commission has the authority, in adopting rules, to specify the limitation of nursing services provided by assisted living residences. In developing rules, the Commission shall consider the need to ensure comparable quality of services provided to residents, whether these services are provided directly by a licensed assisted living provider, licensed home care agency, or hospice. In adult care homes, living arrangements where residents require supervision due to cognitive impairments, rules shall be adopted to ensure that supervision is appropriate and adequate to meet the special needs of these residents. Rulemaking authority under this section is in addition to that conferred under G.S. 131D-4.3 and G.S. 131D-4.5. (2009-462, s. 1(e); 2025-25, s. 29(6).)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
