- (1) Ventilator dependency;
- (2) Individuals requiring continuous licensed nursing care;
- (3) Individuals whose physician certifies that placement is no longer appropriate;
- (4) Individuals whose health needs cannot be met in the specific adult care home as determined by the residence; and

## § 131D-2.2(b)

- (9) Individuals whose physician certifies that placement is no longer appropriate;
- (10) Unless the individual's independent physician determines otherwise, individuals who require maximum physical assistance as documented by a uniform assessment instrument and who meet Medicaid nursing facility level-of-care criteria as defined in the State Plan for Medical Assistance. Maximum physical assistance means that an individual has a rating of total dependence in four or more of the seven activities of daily living as documented on a uniform assessment instrument;
- (11) Individuals whose health needs cannot be met in the specific multiunit assisted housing with services as determined by the residence; and
- (12) Such other medical and functional care needs as the Medical Care Commission determines cannot be properly met in multiunit assisted housing with services.

**§ 131D-2.2(c)**

Hospice Care. - At the request of the resident, hospice care may be provided in an assisted living residence under the same requirements for hospice programs as described in Article 10 of Chapter 131E of the General Statutes.

**§ 131D-2.2(d)**

Obtaining Services. - The resident of an assisted living facility has the right to obtain services at the resident's own expense from providers other than the housing management. This subsection shall not be construed to relieve the resident of the resident's contractual obligation to pay the housing management for any services covered by the contract between the resident and housing management. ## Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
