Each committee shall apprise itself of the general conditions under which the persons are residing in the homes, and shall work for the best interests of the persons in the homes. This may include assisting persons who have grievances with the home and facilitating the resolution of grievances at the local level. The identity of any complainant or resident involved in a complaint shall not be disclosed except as permitted under the Older Americans Act of 1965, as amended, 42 U.S.C. § 3001 et

§ 131D-32(g) Each committee shall quarterly visit the adult care homes with 10 or more beds it serves. For each official quarterly visit, a majority of the committee members shall be present. A minimum of three members of the committee shall make at least one visit annually to each other type of adult care home licensed in the county. In addition, each committee may visit the adult care homes it serves whenever it deems it necessary to carry out its duties. In counties with subcommittees, the subcommittee assigned to a home shall perform the duties of the committee under this subsection, and a majority of the subcommittee members must be present for any visit. Before entering any adult care home, the committee or members of the committee shall identify themselves to the person present at the facility who is in charge of the facility at that time.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
