§ 131E-15(a) This Part shall be known as the "Hospital Authorities Act."

§ 131E-15(b) The General Assembly finds and declares that in order to protect the public health, safety, and welfare, including that of low income persons, it is necessary that counties and cities be authorized to provide adequate hospital, medical, and health care and that the provision of such care is a public purpose. Therefore, the purpose of this Part is to provide an alternate method for counties and cities to provide hospital, medical, and health care.

PINPOINT

N.C. Gen. Stat. § 131E-15(a) (1983).

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
