§ 131E-22(a) The appointing authority, as stated in G.S. 131E-18, may remove a commissioner for inefficiency, neglect of duty, or misconduct in office. A commissioner may be removed only after he or she has been given a copy of the charges and provided the opportunity to be heard in person or by counsel. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
