General Statutes of North Carolina, as published by the General Assembly	c. 390, s. 1 — first act in the lineage	21 September 2026, 03:44 UTC	604b8ada677f3d2b04cf3dd6 - 107548f5b7b0bca3cbdbba03 - 7b19f33402fceb3b

The General Assembly finds that:

A substantial number of citizens of this State now reside, or in the future may reside, in long-term care facilities within this State;

Improper operation of long-term care facilities may tend to create a substantial risk of serious physical injury to residents;

The closure of a long-term care facility can have adverse effects on the residents thereof, especially if the closure and transfer of residents is done hastily;

The general health and welfare of the people of this State, particularly those persons residing in long-term care facilities within this State, would be enhanced by development of a procedure for the court appointment of a temporary manager to assure the proper operation of a long-term care facility in certain instances until a manager chosen by the facility is prepared to properly operate the facility, or until the residents can be safely transferred to a proper alternative setting; and

The use of a temporary manager is intended as a temporary measure and the ongoing or long-term operation of a nursing facility by a temporary manager is neither beneficial nor appropriate.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
