General Statutes of North Carolina, as published by the General Assembly	c. 775, s. 1 — fourth act in the lineage	21 September 2026, 02:08 UTC	f1ad952cdf7cf3c215d2c583 - 92251ce145678fd91d3347a4 - 8906fafc0e2baa40

§ 131E-24(a) A hospital authority may acquire by eminent domain any real property, including fixtures and improvements, which it deems necessary to carry out the purposes of this Part. The hospital authority may exercise the power of eminent domain under the provisions of Chapter 40A of the General Statutes or any other statute now in force or subsequently enacted for the exercise of the power of eminent domain.

§ 131E-24(b) No property belonging to any city, town, or county, any government, religious or charitable organization, or to any existing hospital or clinic may be acquired without its consent. No property belonging to a public utility corporation may be acquired without the approval of the commission or other officer or agency, if any, having regulatory power over the corporation.

§ 131E-24(c) The right of eminent domain shall not be exercised unless and until a certificate of public convenience and necessity for the facility has been issued by the North Carolina Utilities Commission. The proceedings leading up to issuing of the certificate of public convenience and necessity, and the right of appeal from the proceedings shall be governed by the Public Utilities Act, Chapter 62 of the General Statutes, and the rights under that act are hereby expressly reserved to all interested parties in the proceedings. In addition to the powers now granted by law to the North Carolina Utilities Commission, the Utilities Commission is authorized to investigate and examine all facilities set up or attempted to be set up under this Part and to determine the question of public convenience and necessity for the facility.

PINPOINT

N.C. Gen. Stat. § 131E-24(a) (1983).

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
