General Statutes of North Carolina, as published by the General Assembly	c. 775, s. 1 — fourth act in the lineage	21 September 2026, 02:08 UTC	e1aab7d186972b065b6665cf - 0b10c7348a18f8d32347c6b6 - d6f88fd932c98ee3

§ 131E-31(a) A city or county may lease, sell, convey, or otherwise transfer, with or without consideration or with nominal consideration, any property, whether real or personal or mixed, to a hospital authority whose territorial boundaries include at least part of the city or county. A hospital authority is authorized to accept such lease, transfer, assignment or conveyance and to bind itself to the performance and observation of any agreements and conditions required by the city or county.

§ 131E-31(b) If a city or county sells, conveys, or otherwise irrevocably transfers to a hospital authority property with a market value in excess of two hundred fifty thousand dollars (\$250,000), and if the hospital authority accepts this property, the mayor of the city or the chairman of the county board of commissioners shall have the right to name additional commissioners to serve on the authority. The number of additional commissioners shall be such that the proportion of additional commissioners to existing commissioners is approximately equal to the proportion of the total value being transferred to the hospital authority to the total value of property already held by the authority. The determination of the ratios will be made solely by the governing body of the city or county transferring the property to the hospital authority; however, in no event shall fewer than two nor more than nine commissioners be added to the hospital authority. The total number of commissioners shall be increased by the number of commissioners added under this subsection. The times of commencement and expiration of the initial terms of the commissioners being added shall be determined by agreement between the hospital authority and the governing body of the city or county. After the expiration of the initial terms, subsequent terms will be

three years. Copies of the agreement setting out the number of persons being added and the terms of each shall be filed with the clerk of the city or the clerk of the county board of commissioners making the transfer and, thereafter, copies of the reports referred to in G.S. 131E-29 shall be filed with the clerk of the city or the clerk of the county board of commissioners.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
