§ 135-104(a) A participant shall receive no benefits from the Plan for a period of 60 continuous calendar days from the onset of disability determined as the last actual day of service, the day of the disabling event if the disabling event occurred on a day other than a normal workday, or the day succeeding at least 365 calendar days after service as a teacher or employee, whichever is later. These 60 continuous calendar days may be considered the waiting period before benefits are payable from the Plan. During this waiting period, a participant may be paid such continuation of salary as provided by an employer through the use of sick leave, vacation leave or any other salary continuation. Any such continuation of salary as provided by an employer shall not include any period a participant or beneficiary is in receipt of Workers' Compensation benefits.

§ 135-104(b) During the waiting period a participant may return to service for trial rehabilitation for periods of not greater than five continuous days of service. Such return to service will not cause a new waiting period to begin but shall extend the waiting period by the number of days of service.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
