§ 135-112(a) Any participant in service as of the date of ratification of this Article and who becomes disabled after one year of membership service will be eligible for all benefits provided under this Article notwithstanding the requirement of five years' membership service to receive the long-term benefit; provided, however, any beneficiary who receives benefits as a result of this transition provision before completing five years of membership service shall receive lifetime benefits in lieu of service accruals under the Retirement System as otherwise provided in G.S. 135-4(y).

PINPOINT

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
