In order to extend to employees of the State and its political subdivisions and of the instrumentalities of either, and to the dependents and survivors of such employees, the basic protection accorded to others by the Old Age and Survivors Insurance System embodied in the Social Security Act, it is hereby declared to be the policy of the legislature, subject to the limitation of this Article, that such steps be taken as to provide such protection to employees of the State and local governments on as broad a basis as is permitted under applicable federal law.

It is also the policy of the legislature that the protection afforded employees in positions covered by a retirement system on the date an agreement under this Article is made applicable to service performed in such positions, or receiving periodic benefits under such retirement system at such time, will not be impaired as a result of making the agreement so applicable or as a result of legislative enactment in anticipation thereof.

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
